ONEUP mountaineering tent

MSRP: \$2,000.00 (WebTruss™, Fly and Floor)

WebTruss™ Technology. This fly pitch design will give the traditional double wall expedition tents a run for the money. There are 6 poles all equal length. The tent is very strong! Lighter than other tents in its class for the floor area. Silicone coated nylon 66 flysheet. The tent body is sold separately. This is our all around Alpine / Mountaineering tent. This tent points the direction we are working on going forward.

Interior Height	5 ft 6 in / 1.67 M
Floor Area	76 ft ² / 7.06 M ²
Weight	9 lbs 4 oz / 4.2 KG
Poles	6

ONEUP - INNER BODY

MSRP: \$400.00 (body only)

This is the optional tent body that is set up inside the WebTruss™ of the One Up. This adds a lower altitude option for the comfort of you, your alpine assault partner and your most of your gear. This will complete your all around Alpine / Mountaineering tent.

Interior Height	5 ft 1 in / 1.55 M
Floor Area	47 ft ² / 4.36 M ²
Weight	2 lbs 15 oz / 1.3 KG
Doors	2
